Creative Comparison

Prediction summary for uploaded creatives

Creative A - Product Hero Winning creative
Strong CTA visibility, clear product focus, and balanced text density.
SCORE **91** 3.8% CVR

Creative B - Lifestyle Scene Good alternative
High visual appeal, but weaker CTA placement for a sales-focused campaign.
SCORE **83** 2.9% CVR

Creative C - Discount Banner Needs improvement
Offer is visible, but text density is high and branding is less cohesive.
SCORE **78** 3.1% CVR

Recommendation

What AdVise suggests before launch

1. Launch with Creative A as the primary asset for this campaign.
2. Use a 'Buy now' CTA because it aligns best with your selected Sales objective.
3. Keep the audience warm and mobile-first for stronger conversion potential.
4. Reduce text density in Creative C to improve readability across placements.
